

RESPONSE

This amendment under 37 CFR § 1.312 is in response to Examiner's
Comment/Amendment included in the Notice of Allowability dated April 30, 2007. No new
matter has been added with the addition of the additional brief summary of the corrected
5 drawings and updating of the status of the related applications noted in the original
specification. For the Examiner's convenience, a substitute specification including all
amendments to date is included with this response. The substitute specification includes no
new matter.

Notice of entry of this amendment is respectfully requested. The Examiner is invited
10 to call the undersigned if it would expedite the prosecution of this application.

Respectfully submitted,
